

Dear Carnibowl Sponsor:

The Don Johnson Memorial Team is committed to raising support for juvenile diabetes. In conjunction with our efforts, Sequoia Pro Bowl is hosting Carnibowl on Monday, March 1, 2010. Carnibowl is a huge kick off party to commence the Etonic Don Johnson Eliminator, a national stop on the Lumber Liquidator's PBA's 2009-10 tour. The evening includes a trick shot exhibition, Carnibrawl - Company Challenge and several other special events with your favorite PBA stars! We are very proud to say that we have raised over \$70,000.00 over the past two years thanks to sponsors like you!

All of the proceeds from Carnibowl, coupled with proceeds from events occurring the entire week, will be presented to Nationwide Children's Hospital on the PBA's live telecast on ESPN, Sunday, March 7, 2010.

Your support and contribution is greatly needed and will help raise money for this worthy cause. You can support the cause by becoming a...
